

MOORE

The image features a group of business professionals in silhouette, seated around a table in a meeting room. They are positioned in front of a large window that offers a view of a modern city skyline with several tall skyscrapers. The scene is captured from a slightly elevated angle, and the lighting is bright, creating a high-contrast silhouette effect. A dark teal diagonal overlay covers the left side of the image, providing a background for the text.

HELPING YOU THRIVE
IN A CHANGING
WORLD

MOORE PROFESSIONISTI ASSOCIATI

Moore is based in the heart of Milan.

A strong international vocation combined with consolidated skills gained over the years allow Moore's Partners, our team of young professionals, our staff and our consultants to offer professional services at local, national and international level, in Italian, English, French, Spanish and Russian.

Formerly known as Moore Stephens, we trace our roots back to over century. We are today proud to be part of Moore Global's audit, accounting and consulting network, listed among the top 11 audit structures in the world. Every single "Independent Firm" in Italy and worldwide is highly integrated with the international network present in over 110 countries, with about 30,000 people connected all over the globe.

"Together we will take care of the present, so we are ready to face the challenges of the future."

WHY MOORE

- ▶ *“Moore provides a dedicated service based on the direct relationship with our partners and our team of professionals. The management of all customer needs for us means to work through an entrusted team capable of ensuring, in every moment, continuity and efficiency of service. Each assignment is managed with care and promptness.”*

(Dr. Simona Gazzinelli - Tax Consultant)

- ▶ *“Moore’s experience gained through close cooperation with Italian and international customers, belonging to several different sectors, will enable us to fully understand your needs, thus being able to offer you a complete and personalized service. Our strong vocation towards new technologies and innovation will give you access to cutting-edge services in step with the digital age in which we live.”*

(Dr. Paolo Borghi - Partner)

- ▶ *“Nowadays there are tax implications for everything we do. Taxes are an unavoidable element for almost all business activities and is present in all the jurisdictions in which you will do business. Decisions made today will often affect your tax burden in the future. Moore and his team of professionals will help you reach the maximum fiscal efficiency in the short and long term, providing you with tax solutions and advice based on your specific needs.”*

(Dr. Fabrizio Pellizzone - Partner)

- ▶ *“Moore will offer you support in overcoming obstacles and we will put the best tools at your disposal to master them. We will manage your business as if it was ours, offering you the best service at the right value. Our goal will always be to help you achieve your desired results, taking into account the changing national and international regulations, providing you with the appropriate tools to constantly monitor the maintenance of the economic and financial balance of your business. This in order to prevent possible events of business crisis and advising you on the most effective and efficient solutions.”*

(Dr. Sara Carpi - Consultant Advisor)

Moore has become a partner of International Payroll Bureau, a company created to respond to the needs of customers in the field of both national and international work consulting activities.

MOORE can therefore provide an integrated service regardless of size and location of our customers.
